Award winning artists and songwriters, Jim & Melissa Brady, possess a rich musical heritage that started in family ministry and transitioned to some of the greatest gospel music stages of our day, including The Brooklyn Tabernacle, The Gaither Homecoming tour, The Dove Awards, The National Quartet Convention, and In Touch with Dr. Charles Stanley.

While enjoying Dove and Singing News Fan Awards, Grammy nominations, Absolutely Gospel Awards, number one songs and many other honors, one purpose propels them onward. Whether writing a new song, singing in concert, or simply in conversation with a friend, the story of their lives is to share the love and hope of Jesus.

With exciting new music and a touring schedule that is taking them all over the world, the future looks bright for Jim & Melissa Brady.
